The Executive Committee met in September and November 2013 and January, April and June of 2014. Missy Hubacher was appointed by the President and approved by the Executive Committee, as Treasurer, to fill the current term. The positions of President-Elect, Treasurer and Historian are up for election this year. Both Missy Hubacher and Holly Jackson have been nominated for their respective positions of the 2014-2016 term and nominations from the floor will be accepted for these positions as well as the president-elect.

One of the major goals of WSSA is to provide an annual conference and provide training opportunities for its members. The greater part of our time is spent in this area. The Executive committee played a major role in this year's conference planning. Our President and Treasurer assumed the roles of co-chairs of this year's event. Conference issues and topics were addressed at every meeting. Every effort is made to cover a wide variety of current and timely topics for the workshops. We continue to have vendors at our conference to bring information to you. Please stop at their tables and take advantage of the opportunities provided by their efforts. Complete the conference survey as your input is valuable.

An Ad Hoc committee was appointed to address the Constitution and Bylaws. The focus of this committee will be to bring our bylaws current with where our organization is today. They met in November, January and April following our Executive Committee meetings.

ES and W2 were recognized with a proclamation signed by the Governor. Social Work and Administrative staff were also recognized by WSSA for their outstanding efforts in Human Services.

A business meeting is held at each conference, please plan to attend and join in the discussion.

Remember WSSA needs your input, continue to visit our website [www.wssa.ws](http://www.wssa.ws) and complete an interest form or contact a member of the Executive Committee and ask how you can be involved.

Respectfully submitted,
